Again word first and exclusive solutions from Z3X-team - Added Repair EFS for 1997 word first samsung 2G tool v3.5.0032.rar This listing is on a Samsung SyncMaster 860BWT. I have played movies in there for almost four years. I just recently noticed that this monitor will not play some movies that I have on my computer(may be DVD or BluRay) - Then I did a search in the Samsung 2G tool webpage (and found this: The following Blu-ray discs could not be opened by Samsung 2G Tool. 1. T0161-5 2. T0162-5 3. T0162-5 (001K) Blu-ray discs that could be opened by Samsung 2G Tool include: 1. T0161-5 2. T0162-5 3. T0162-5 (001K) Does anyone know what I should do? Because some CDs work and some don't. I'm guessing the problem is the DVD drives not Samsung 2G tool. The 2G tool DOES work fine for other items. Even Sony Dvd tools works fine. I just can't get Samsung 2G tool to work on some items.
